

# Black Squirrel FUNDRAISING ENGRAVED SIGNS

Tell them how you really feel - in wood!

These unique engraved signs, handmade here in Spring Grove, capture YOUR sentiments in beautiful wood and then highlight them in one of three different color choices!

When you buy your favorites through this program, these handmade treasures also benefit our Spring Grove students! Over 500 students, representing 16 different HS clubs and organizations are working together in this sale, and their groups will all benefit from their shared efforts.

Pre-paid orders will be accepted through mid-November, with final delivery set for the week of December 19 — just in time for gifting!

*What better way to state your feelings and benefit your local schools!*
