

Rocket 'Real Estate'

Add your message to the Student Launch Initiative Rocket and help our SLI Team get to Huntsville, Alabama for their April launch date.

Estimated costs for the design, construction and testing of this year's Triton Rocket project rocket, along with travel and accommodations while at the NASA facility in Huntsville come in right around \$17,000. Can you help our High School Rocket Scientists successfully complete their mission? Whether it's \$5, \$500, or \$5,000; it can all add up to a mission accomplished.

Name(s): _____

Address: _____

City, State, Zip Code: _____

Phone number: _____ E-mail address: _____

Please accept my donation of _____

I would like to reserve _____ Sponsorship Squares at \$5 each.

What's a Sponsorship Square?

There is room on the rocket fuselage for close to 1,200 square inches of sponsorship ads or messages.

For just \$5 per square inch, your message can be added to the rocket.

Add your artwork or message to the grid shown here. The number of squares it covers will determine your cost.

Deadline to add YOUR name, logo or message to the Triton Rocket is February 28, 2017.

Please mail your completed form, with check to:

**Spring Grove Area High School
ATTN: SLI Project Triton
100 East College Avenue
Spring Grove, PA 17362**

*Please make checks payable to **SGAHS/SLI**.*
